

Medium voltage switch container

Supply: 10/24 kV

Output: 10/24 kV

Power: 630 A

Details: eight panel medium voltage switchgear, using SF6 tested as per IEC 62271-202:2006 und DIN EN 62271-202 (VDE 0671-202):2007-08
 2 x supply panel with switch disconnecter 630 A, earthing switch
 1 x transfer panel with switch disconnecter 630 A, UMZ-protection, earthing switch
 1 x measurement panel (3x current, 3x voltage)
 4 x transformer output panel with switch disconnecter 250 A, UMZ-protection, earthing switch

Size: Length: 6,000 mm
 Width: 2,450 mm
 Height: 2,600 mm
 Weight: 6 t
